## **Examiner's Comment**

### ***Information Disclosure Statement***

The information disclosure statement filed 12 July 2007 fails to comply with 37 CFR 1.97(c) because it lacks either a statement as specified in 37 CFR 1.97(e) or the fee set forth in 37 CFR 1.17(p). It has been placed in the application file, but the information referred to therein has not been considered.

As a practical matter, the references applicant list have already been cited by the Examiner in the 02 April 2007 office action. It is noted that the Russell patent was improperly listed therein as 5,423,624 instead of 5,423,621. The notice of allowability therefore includes a notice of references cited with a proper listing of the Russell patent 5,423,621.

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Gary K. Graham whose telephone number is 571-272-1274. The examiner can normally be reached on Tuesday to Friday (6:30-4:00).
